

OCTOBER NEWSLETTER

REGEN T
NURSERY SCHOOL

Hot meals:

As you are aware we have started cooking hot meals for the children in the nursery. The children seem to thoroughly enjoying the food and it is nice for us to see so many empty plates at meal times!

So many of you may have copies of the menus already but if you do not have copies please ask a member of staff who will be happy to provide you with copies. Please note that some days some meals will need to be changed around due to food expiration dates. On a Monday when the Tesco comes in I will put the menu up on the door so you can see what days we will be eating what meals that week.

Nursery communication books:

From next week each child will be allocated with a communication book. This book will go home with you at the end of each week. Inside will be information about all the activities your child has taken part in that week. We would also like for you to use this book to share things with your child's keyworker. For instance what you have been doing at the weekend or observations of something you may have seen your child doing for the first time. This is a perfect way for us to improve the shared communication between us. We do request that you return the book back to us at the beginning of each week.

Car parking:

If you are using the driveway to park your cars please can you ensure that you park as close to the cars already in the drive way. We must try to ensure that we leave the pavement clear for pedestrians who are trying to get past.

Half term:

The week commencing 26th October will be half term, if your child attends on a purely funded basis there will be no nursery that week.

Macmillan cake sale:

Thank you to everyone that supported the Macmillan coffee morning we raised £63 in total.

October topics:

During October we will be looking at black history month and we will also be carrying out autumn activities.
